

Hang Lung Properties

2026 Internship Program

Program Details

The Hang Lung Internship Program aims to nurture young talents through placing them into one of our departments to acquire on-the-job training and practical working experience to prepare them for their career journey after graduation.

This year, we will continue the internship collaboration with local and overseas universities and extend the opportunities to students with disabilities or special education needs as well as the collaboration with HKSAR Government to provide internship opportunities in Mainland to broaden the horizons of Hong Kong young talents.

Requirements:

1. Undergraduates or Postgraduates of any discipline who are graduating in 2027
2. Able to commit 5 days per week in July and August
3. Proficient in Microsoft Office including Word, Excel, PowerPoint
4. Good command of both written and spoken English and Chinese
5. Business sense with financial acumen
6. Strong motivation to join Hang Lung Management Trainee Program
7. Good communication skills, passion to learn, and high level of integrity
8. Internship and overseas experiences are plus

Internship Duration:

From July to August, minimum term of 8 weeks

Placements Opportunities:

Location	Function
Shanghai	Retail Leasing, Marketing
Wuxi	Retail Leasing, Marketing
Hangzhou	Retail Leasing, Marketing
Wuhan	Retail Leasing, Marketing

*Notice: more details about Hang Lung 2026 Internship Program will be available on Hang Lung Internship Page after Feb 28.

The HYAB Scheme on Corporate Summer Internship on the Mainland and Overseas 2026 is a joint initiative between the HKSAR Government, Hang Lung Properties Limited and other major companies in Hong Kong. Applicants who are interested in applying for internship placement offered by Hang Lung Properties Limited under the Scheme should submit the application through the Government's central online application system (www.ydc.gov.hk/scsi/en) by 23:59 on 9 March 2026 HKT. Hang Lung Properties Limited will not accept applications direct at this stage .
